YOU MIGHT NEED IT
SOME DAY.

4% On Your Money

This is pay day for hundreds. Won't there be a spare dollar in the envelope after necessities are provided?

Take that dollar and start a savings account for your boy. Teach him to add to it, and add a little yourself.

Our 4 percent interest will help its growth, and when college time arrives you'll find a fund in our bank for his education.

4 Percent interest on savings accounts, interest compounded every 6 months.
Percent interest on time deposits.

SOUTHWESTERN TO VOTE ON MAKING EXTENSION

Meeting to Be Held at Bisbee on June 1 to Decide the Matter.

A special meeting of the stockholders of the El Paso & Southwestern Railroad company has been called to meet at Bisbee, Ariz., on June 1, at 11 o'clock. The purpose of the meeting is to consider proposed amendments to the articles of incorporation of the Southwestern authorizing the construction of extensions to that road and providing for the maintenance and operation of such extensions.

This announcement, coming fast on the heels of the visit of vice president A. C. James, to Bisbee, Tucson and other cities in the district of the proposed road, has given new hope to Arizonans that the extension of the Southwestern to Tucson and to Phoenix will soon be a reality.

It is said that all of the directors have visited the territory of the proposed road and it is assumed that their minds will have been made up on the subject of the extension by the time the special meeting of stockholders is called on June 1.

NEW EQUIPMENT FOR NORTHWESTERN

Three Locomotives for Service South to Pearson. Rutledge on Trip.

Three Baldwin locomotives are daily expected by the Mexico Northwestern railway, to be used between Pearson and Juarez. Two of the engines are for passenger service and one a switch engine. The passenger engines, however, will be used in hauling freight and none of the new equipment will be used for passenger service. The road, until the road enters the union station at El Paso. A number of passenger coaches have also been ordered for use when the road reaches the union station.

George Rutledge, superintendent of the El Paso division of the Mexico Northwestern, will leave for Pearson the present southern terminus of the road, Wednesday afternoon on a trip of inspection.

G. H. PROPOSES TO PUT

IN ANOTHER PARK PLAT

The G. H. has a force of workmen busy harrowing the plot of ground between its tracks north of the old depot on North Stanton street and the proposed extension of the Southwestern. The plot extends from Stanton to Kansas street and has an average width of about 25 feet.

WOMEN'S WOES

El Paso Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills.

Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. L. Nichols, 1220 Texas street, El Paso, Texas, says: "The result I received from the use of Doan's Kidney Pills were so satisfactory that it is impossible for me to praise them too highly. For a long time I was troubled by backache and was hardly ever free from a difficulty with the kidney secretions. Often sharp twinges darted through my kidneys and I was also distressed by headaches. Learning of Doan's Kidney Pills, I decided to try them and procured a box at Kelly & Pollard's drug store. They proved to be just what I required and in a short time completely cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
